

## Bonus Rule Set – The Engulfing Trader

---

- Stick to the Rules
- Never Move Stop Loss on entry unless it is in the direction of the move to breakeven or locking in pips.
- Stick to the Process
- Use one of the options of Breakeven to protect your money and investment.
- Stick to your Entry Rules
- Take one trade to 1 to 1
- Allow second trade to run with breakeven until opposing engulfing candle signal.
- Accepting Losses is part of the business and keep a cool head.
- Accepting Wins is part of the business and keep a cool head.
- When in doubt, remember your probability and success ratio.
